Video Titler Quick—Reference List

Use this when working with **Video Titler** or while reading the Quick—Reference List section in Chapter Two of the manual (numbers shown in this symbol, {_}, correspond with those used in that section).

On the left, under "To Get," is a list of numbered Tasks. On the right side of the List, under "Press" are the keystrokes needed to use the Tasks. Some Tasks only require one keystroke ("Next Object," for Example). Others (like "Pen Selection") need two.

IMPORTANT

A) An "*" means you have the choice of using Cursor Keys or a Joystick.

B) To accept any command, press **Run-Stop** or the Joystick button.

NOTE: Throughout this document, where you see C, you hold down the Commodore Key (located on the lower left-hand corner of the Keyboard) as you simultaneously hold down a second Key (C **E**, for Example).
